To the End

The Bible makes a lasting statement about love in John 13:1 which is a great reminder for us all. It is stated Jesus loved His disciples "to the end". Despite Christ's foreknowledge in His upcoming sacrifice and death, He KNEW those who followed Him needed all the support they could get. They needed to be reassured even though all would desert Him. (Matt 26:31) There were times they needed to be encouraged. (John 14:1-4) Sometimes His disciples needed to be rebuked. (Matt 16:23) MOST of all they needed to be loved; not just by His words, nor just His actions but also through His promise to be there for them "to the end". (John 13:1)

He is willing to be with us also if we are faithful. (Matt 28:18-20)

It's a great idea when we show Christian love for one another "to the end" as well.

God Bless.
