Thanks for visiting with us!

Our goal is to worship God according to His will just as those Early Christians had the opportunity to do. (Acts 2:42) Please ask us a question for the reason why we practice what we practice. (1 Peter 3:15)

Our religious conviction:

God chose to save the world by sending His Son Jesus to the cross. (Romans 10:17) Those who choose to listen and obey the Gospel message SHALL be saved. (Acts 2:38) God adds them to the Church of the Bible which His Son is coming for one day. (2 Thessalonians 1:7-10)

How imperative is it to build? How much more so is it to have a plan in place as you build? How vital is it to be unified in that planned action so success WILL BE the desired outcome? In Genesis 11:6, the Bible states. "If as one people speaking the same language, they have begun to do this, then nothing they plan to do will be impossible for them." The local Body can and should be actively planning to accomplish God's will in the area in which they reside. Over the next few months, I would like for everyone to ask themselves "what role will I play in this?" If we are truly "about our Father's business" then we need a plan. (Pro 29:18) This principle is true in a home, community, nation AND the local congregation. A dog "chasing its tail" will eventually run out of steam. Let's work together to come up with a 5-year plan for Charles Town...then make it happen so God can receive His glory in this place! (Acts 5:39) Amen.

There will be a **Ladies' Day Meeting** on June 29 and July 6 at 12:30 at the church building to discuss the program, the take-homes, the food, etc. We need all of you to participate. Please try to make at least one of the meetings.

Please see Kerilyn Wellman for more details. Thanks
